Product name: Saraya Foaming Hand Soap Pinky Peach

Date written : July. 31, 2018

Date revised : —

6. ACCIDENTAL RELEASE MEASURES

Large spills

Collect in a covered container.

Small spills

Wipe small spills with a rag.

7. HANDLING AND STORAGE

Handling

:In case of skin irritation, stop using the product and seek medical attention.

:This product may aggravate skin disorders such as eczema, inflammations and thus, its use in these cases is contraindicated.

Storage

Conditions for safe storage

Store in a sealed container.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Appropriate engineering control

Not known

Management concentrations

A concentration value for managing the material has not been set.

Control parameter

A control parameter has not been set.

Personal protection

Wear personal protective equipment as needed.

Product name: Saraya Foaming Hand Soap Pinky Peach

Date written : July. 31, 2018

Date revised : —

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance

Physical state	Liquid
Color	Clear, Pale Pink

Odor	Fragrance odor
------	----------------

pH	9.0-11.0
----	----------

Specific gravity(20°C)	1.011
------------------------	-------

10. STABILITY AND REACTIVITY

Chemical stability

Stable at room temperature.

Possibility of hazardous reactions

Not known

11. TOXICOLOGICAL INFORMATION

Acute toxicity

Classification not possible

Skin corrosion/irritation

Classification not possible

Serious eye damage/eye irritation

Classification not possible

Respiratory sensitization/skin sensitization

Classification not possible

Mutagenicity

Classification not possible

Carcinogenicity

Classification not possible

Reproductive toxicity

Classification not possible

Product name: Saraya Foaming Hand Soap Pinky Peach

Date written : July. 31, 2018

Date revised : —

Specific target organ/systemic toxicity following single exposure

Classification not possible

Specific target organs/systemic toxicity following repeated exposure

Classification not possible

Aspiration hazard

Classification not possible

Teratogenicity

Classification not possible

Metabolism

Classification not possible

12. ECOLOGICAL INFORMATION

Ecotoxicity

Not known

Persistence and degradability

Not known

Bioaccumulative potential

Not known

Mobility in soil

Not known

13. DISPOSAL CONSIDERATIONS

See section 7, Handling and storage

International regulations

Disposal should be done in accordance with local, state, and national laws.

Waste for residues

Burn it a little at a time in an incinerator or dispose with a large quantity of water.

Product name: Saraya Foaming Hand Soap Pinky Peach

Date written : July. 31, 2018

Date revised : —

Used container

Disposal should be done in accordance with local, state, and national laws.

14. TRANSPORT INFORMATION

See section 7, Handling and storage

UN regulations

UN classification

Not applicable

UN number

Not applicable

:Not applicable as flammable liquids.

:Take necessary measures to prevent spillage, leakage, outflow and soakage.

15. REGULATORY INFORMATION

International regulations

It is the responsibility of the user to know and comply with all relevant rules, regulations and laws in the local, state, national and international level relating to the product being used.

16. OTHER INFORMATION

Disclaimer

:Any of the above information may be changed without prior notice.

:This document is complete and thorough to the best of our knowledge.

Note that information is provided in order to use the product safely, not to guarantee the safety of the product.

:Use the product properly according to its specifications.

:As with all chemicals, at the present time there are some unknown facts about the chemicals contained in this product and thus, the product should be handled with care. It is the responsibility of each individual user to set the conditions in which the product can be safely used.
