

- **Nomad lamp:** wireless and thanks to its low weight of 190g, UKKY is easily transported from one workspace to another (office, meeting room, co-working spaces).
- **Compact:** once folded, this lamp can now accompany you on your travels (transport).
- **Practical:** can be plugged directly into USB port with a 1m cord supplied or works with 3 AA 1,5V batteries not supplied.
- **27 cm arm:** fully flexible swivel in all directions to adjust lighting in the right place on your worktop.
- **Light intensity variation:** by pressing the touch button continuously.
- **Protect your eyes:** this floor lamp offers a pleasant, stable, quality light thanks to the latest generation LED protected by an opaque plastic. No flicker or glare.

- 2 years warranty
- height: 30 cm
- Materials: base and head in ABS plastic / metal arm with rubber surface

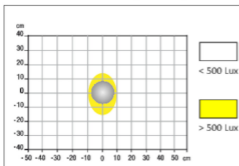

Replaceable (LED only) light source by a professional
