

MAGNETO SAFETY

MAKE YOUR INFORMATION STAND OUT... The Magneto Security display frame will allow you to optimise your risk prevention and information procedures in your business.

Product benefits:

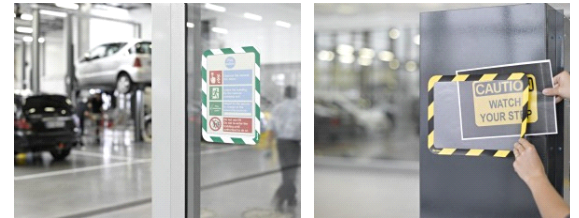

- A top loading of the document to ensure a perfect hold of the documents.
- An easy grip function: upper foil is slightly longer than back side for an easy and quick grip. to load or retrieve the documents.
- A high-grade anti-glare orange peel surface for improved readability.
- Frame with rounded corners for a smooth shape.
- A double usage: portrait or landscape to display just as you like.
- A magnetic closure allows a perfect hold in all positions.
- Available in 3 colors: red/white, yellow/black and green/white.

Key selling point:

- Bicolor design especially suitable for all kinds of safety information : interdiction, warning, danger, rescue, etc.

Places for use:

- Magnetic back or Repositionnable adhesive backing.
- Ideal for internal communication, signage, safety instructions, general information, etc.
