#### Information about REACH / SVHC candidate list:

No one of the listed substances in the actual candidate-list is used by the production of the raw materials or is knowingly added on, by confirmation of the suppliers of our raw-materials.  
If this does not apply to a product part, you will find the exact substance information in the section material information.  
The presence of ubiquity appearances cannot expected completely.  
Neither the raw-materials, nor the manufactured articles are specially analysed of the existence of the SVHC candidate list substances.
