### Product features

- Each plastic-free straw is made from fast-growing FSC 100% certified Bamboo.
- Certified by FSC and Vegan Society.
- Each pack of 250 straws helps you to reduce your Carbon Footprint by 0.27kg and will also prevent 110g of single use plastic entering the waste cycle, when compared to a standard plastic-based straw.
- Any additional carbon which is emitted through the production, manufacturing and distribution is offset through our partnership to protect and preserve the vulnerable Annamite Lowland rainforest in Khe Nuoc Trong, Vietnam.
- Plastic-free packaging, outer box can be easily recycled (where facilities exist).
- Minimally packaged to help reduce waste.
