External dimensions: 113 x 53 mm (W x H)

Product information

material

foil front + back	PP (Polypropylene)
magnetic foil	PE and ferric oxide magnetic, self adhesive (acrylate glue)

Information about REACH / SVHC candidate list:

No one of the listed substances in the actual candidate-list is used by the production of the raw-materials or is knowingly added on, by confirmation of the suppliers of our raw-materials.
The presence of ubiquity appearances cannot expected completely.
Neither the raw-materials, nor the manufactured articles are specially analysed of the existence of the SVHC candidate list substances.
