

ULTIMAT INDOOR ENTRANCE MATS

Doortex introduces its premium indoor entrance mat solution. Doortex Ultimat is unlike any other scraper/ soaker mat you have previously used.

- The ultimate dust and moisture control mat.
- Produced from a combination of microfibre & polypropylene, for maximum moisture removal and retention, and ultra strong polypropylene scraper fibres.
- Excellent water absorption qualities comply to DIN 660951 and equate to a huge 5 litres per m².
- The polypropylene fibre content acts as tiny brushes to remove dirt and dust while adding greater strength and life length to the mat.
- Combined pile weight of 800 grams/m² demonstrated the high quality construction.
- Fully machine washable for convenient maintenance (to 40°C)
- Smooth PVC backing for additional stability.
- Available in a choice of 5 sizes and 2 colours.
