Product Information

Glove Care: Store between 5°C and 40°C in a cool dry environment away from direct sunlight.

Food Contact: Fortified Nitrile gloves have been tested in accordance with EN1186. They are suitable for use with all food categories, in situations of short term repeat contact.

User Information

Cleaning: Gloves cannot be cleaned and reused. Before use, check gloves for physical damage. Do not use damaged gloves.

Fitting and sizing: Only wear products of a suitable size. Products which are either too loose or tight will restrict movement and will not provide the optimum level of protection.

Allergy advice: This product does not contain natural rubber latex but may contain low levels of residual chemical accelerators, which may cause allergic reactions.

Available sizes

Small	GF0012
Medium	GF0013
Large	GF0014
Extra Large	GF0015
