

DECLARATION OF CONFORMITY

EU product safety regulations

Valid for the year 2023

Scope: BIC® Stationery products with ink

We hereby, SOCIÉTÉ BIC, certify that:

BIC® Stationery products with ink (such as pens, markers, felt pens, etc.) comply with the following European product safety regulations:

- REACH regulation (EC) n°1907/2006 and its amendments.
- European Directive 2001/95/EC and its amendments on general product safety.
- European Regulation (EC) n°1272/2008 and its amendments, relative to the classification, labelling and packaging of substances and mixtures (for inks).
- International standard ISO 11540 and British standard BS 7272-1:2008 on writing and marking instruments caps.
- British standard BS 7272-2:2008 + A1: 2014 on writing and marking instruments end closures.
