BERG XL Backpack

RFID protection

USB Charging port

Powerbank pocket

17" Laptop compartment

Tablet compartment

Trolley sleeve

TSA friendly

Mouse pouch

Key clip

Water bottle pocket

Breathable back panel

Multifunctional pockets

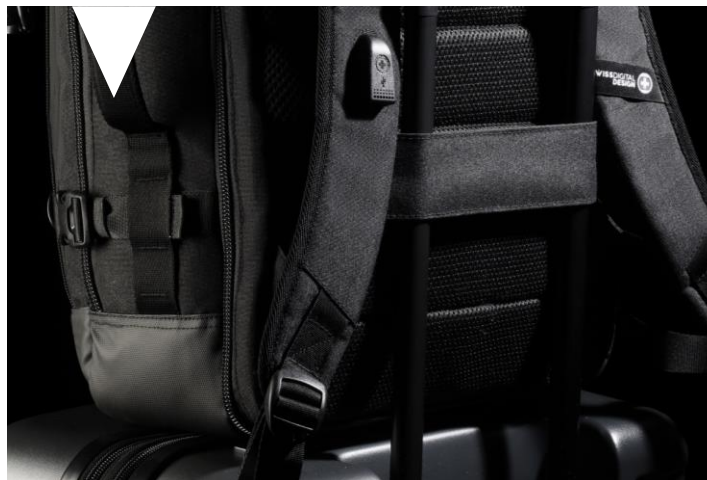

XL Capacity

BERG
XL Backpack

**USB-C charging port**

Equipped with a USB-C charging port, offering quick access to charge your electronic devices such as smartphones, tablets, kindles and all other USB devices on the go while using them at the same time. A powerbank is not included.

**Trolley sleeve**

The intelligent Add-A-Bag system is not only a tremendous relief for your multi-luggage travel, but it is also extremely easy to handle. Simply connect your bag to the luggage with an integrated luggage strap in a hands-free way.

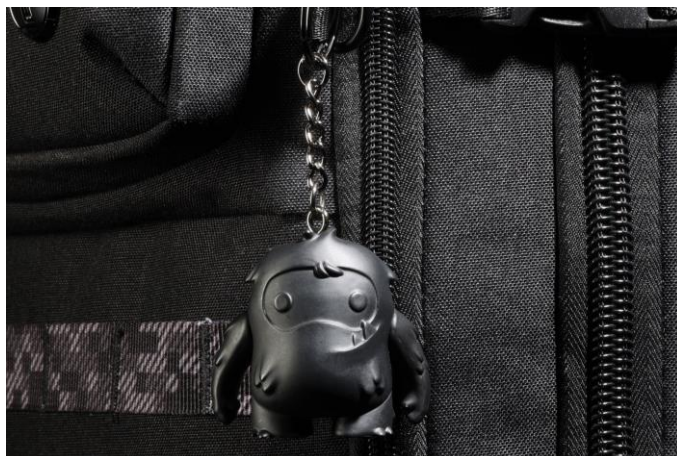

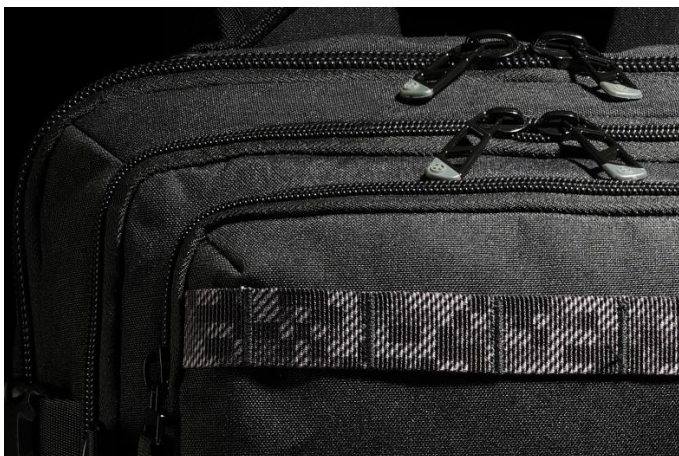

**RFID protection**

Travel with peace of mind. An integrated RFID protection compartment helps to protect your sensitive personal data (such as credit cards, passports, and driver's licenses) from being accessed by scanners.

Quality and comfort

Our products combine quality and comfort with their ergonomic design, ensuring that all essentials can be carried easily during your trip.
