**USB-C charging port**

Equipped with a USB-C charging port, offering quick access to charge your electronic devices such as smartphones, tablets, kindles and all other USB devices on the go while using them at the same time. A powerbank is not included.

**LED light system**

Stay safe and visible with our innovative backpack, featuring an external LED light with three different modes for enhanced safety during nighttime adventures, whether you're cycling, walking, or traveling.

**Eco-friendly fabric**

It gives you a guilt-free, green alternative to traditional materials. By turning to renewable, recyclable resources, this helps to reduce environmental impact and create a better world for future generations.

Quality and comfort

Our products combine quality and comfort with their ergonomic design, ensuring that all essentials can be carried easily during your trip.

LAMONE L Backpack | LED

USB-C charging port

Equipped with a USB-C charging port, offering quick access to charge your electronic devices such as smartphones, tablets, kindles and all other USB devices on the go while using them at the same time. A powerbank is not included.

RFID protection

Travel with peace of mind. An integrated RFID protection compartment helps to protect your sensitive personal data (such as credit cards, passports, and driver's licenses) from being accessed by scanners.

Eco-friendly fabric

It gives you a guilt-free, green alternative to traditional materials. By turning to renewable, recyclable resources, this helps to reduce environmental impact and create a better world for future generations.
