Conformity	
STAEDTLER Noris® writing pen 307 meet the standards:	
ISO 11540	'Caps for writing and marking instruments intended for use by children up to 14 years of age – Safety Requirements for writing and marking instruments. Ventilated caps reduce the danger of asphyxiation for children up to the age of 14 should caps be swallowed accidentally.
The products meet the Regulations (EC) No 1907/2006 (REACH) concerning the Registration, Evaluation, Authorization and Restriction of Chemicals. In accordance with REACH Regulation, Article 33, you will find our current articles subject to mandatory reporting under the following link <a href="https://www.staedtler.com/REACH">https://www.staedtler.com/REACH</a>	

Usage notes
Dry Safe - Can be left uncapped for days without drying up. Test conditions according to ISO 554. Washes out of many textiles. Airplane safe – Automatic pressure equalisation prevents the pens from leakage during flight. Fineliner with stable, pressure-resistant tip

**Staedtler** has been certified to ISO 9001 and ISO 14001 and considered in the selection of raw materials and their processing in the relevant national and international laws to protect the users.
