

**100%
Recycled**

▼ **Description**

DCP Green is the first 100 % recycled paper for colour laser printing of office documents. Its high level of whiteness and its extremely high opacity guarantee duplex printing. Its smooth surface and excellent flatness allow for clean and crisp presentations. Its sheet formation optimizes printing of both text and image.

DCP Green laser guarantees an excellent machine running, generates no dust and has a longer archival life thanks to the DIN 6738 norm.

DCP Green is Blue Angel and Ecolabel certified.
