ECF stands for **E**lemental **C**hlorine **F**ree meaning that no Cl₂ is used for bleaching the pulp (Cl₂ is a very strong oxidizing agent which has negative effects on the environment).

PEFC stands for **P**rogram for the **E**ndorsement of **F**orest Certification schemes
PEFC certification is a transparent system of forest inspection plus a means of tracking timber and paper, from harvested tree through to the finished product

Blue Angel certification is the oldest and most trustworthy European environmental label which certified that the Recycled Post-it® Notes Markers are manufactured with Blue Angel paper which is 100% pulp coming from Post Consumer Waste
