Attributes	Advantages	Benefits
Smooth surface	Detailed works, very precise drawings.	I have the satisfaction to let my lead glide according to my desires, while obtaining sharp lines.
Extra white	Accentuated contrasts, vivid colours.	I have the sensation to get a brighter work.
Stock and surface-sized	The paper withstands repeated erasing or scraping without flaking.	It allows to correct one's mistakes while going unnoticed.
Spiral binding	It offers a good handling and avoids tears.	Having pleasure to be able to turn pages quickly and to draw on a perfectly flat surface, without difficulty by using this pad.
