

## PRODUCT PROFILE

### “Professional Marking”– edding 750 paint marker

#### Target group

- Professionals e.g. in industry, craft, or public health who need markers with outstanding attributes for different surfaces and applications
- Consumers who need to deliver a professional result

#### USP

- Highly opaque marking of dark, smooth and transparent surfaces

#### Benefit for the consumer (Consumer’s perspective)

- Focused and clean application
- High quality brand product
- Broad colour assortment
- Still visible markings even at unfavourable lighting conditions

#### Application

- For permanent labelling even on dark and transparent materials, e.g. metal, glass and plastic
- Shake the marker – remove the cap – pump the marker with the nib downwards
