

Ultrasec Strip mop

Technical Data Sheet

Issued: July 2014
Supersedes: March 2013

DESCRIPTION

Scotch-Brite™ Ultrasec is a strip mop made from a needle punched non-woven cloth, coated with a synthetic binder and converted into thin strips.

The cloth strips are maintained together by means of a plastic piece, manufactured from durable and chemical resistant materials.

ADVANTAGES

- **Scotch-Brite™ Ultrasec** is a product specially designed for wet cleaning tasks on all kinds of flooring.
- High water absorption.
- Durable and adaptable cloth.
- Washable up to 60 ° C.
- Easy to drain/squeeze.
- Excellent resistance to chemical products commonly used in floor cleaning.

USE INDICATIONS

- Rinse thoroughly before first use.
- Rinse the mop with clean water after each use will extend the life of the product.

PRECAUTIONS

It is not recommended to use **Scotch-Brite™ Ultrasec** with *pure* bleach, as the durability of the strips could be affected.

WHERE / WHEN TO USE THIS PRODUCT

Use **Scotch-Brite™ Ultrasec** as a wet cleaning tool for routine maintenance of all types of floors including ceramics, marble, terrazzo, parquet, etc.
