

## Sprekler package

### GENERAL

Fill, spray & clean hygienic.

- Hygienic, ergonomic, efficient & sustainable.
- Cleans more square feet in less time.
- Can be washed more than 500 times (Twist Mop).
- You no longer have to carry heavy buckets around.
- User-controlled release of water.

In just a few steps you can clean your floors with the Flatmop Frame Velcro, the Twist Mop and the Sprekler Handle. The Twist Mop allows you to clean just about any hard surface without smearing dirt. The mop's colour coding also makes it efficient to use and means that the mop can be easily and hygienically be removed from the frame with the loop. Combine this floor system with the Sprekler and you will no longer need to carry those heavy buckets around, thanks to its integrated water reservoir.

#### Suited for

Thermoplastic flooring in PVC or vinyl - Linoleum - Flooring covered with a polymer protective film - Rubber flooring - Natural stone, non acid sensitive - Ceramic tiles - Flooring in concrete, poly-concrete, unglazed tiles and cement based composite floors - Screeds, epoxy flooring, PU flooring and resin based composite floors - Wooden flooring covered with a polymer protective film

### USAGE

1. Attach the aluminum frame to the handle.
2. Unscrew the green cap on top of the handle. Fill the reservoir with tap water using the enclosed fill bottle. Screw cap back.
3. Place and "hook" the microfibre mop under the frame with the velcro.
4. Press the green cap on top of the handle to dispense tap water behind the mop through the triple-spray nozzles.
5. Spray and wipe the floor using a circular movement. Start from a corner and wipe the floor clean towards the door. To ensure a long lasting use of the Sprekler handle, empty the reservoir after each use.

#### Washing instructions:

We recommend washing the mops at 60°C using a washing detergent suitable for coloured fabrics like the Greenspeed detergent.

Machine wash, 90 °C

Do not bleach

Tumble dry, low heat (60 °C)

Do not iron

Wash without fabric softener

## Sprekler package

### TECHNICAL SPECIFICATIONS

**Dimensions product (WxHxD)** 16,5 x 7,5 x 148 cm

**Content:**

- Sprekler handle with integrated reservoir 145 cm
- Flatmop Frame Velcro 40 cm
- Twist Mop Velcro 45 cm
- Refill bottle 500 ml

**Material:**

- Sprekler handle with integrated reservoir: aluminium & plastic
- Flatmop Frame Velcro: aluminium & plastic
- Twist Mop Velcro: 50% microfibre & 50% polyester
