# WALKER

The Yaktrax Walker is designed for people who are looking for an easy-to-use, lightweight traction device for their shoes. The Walker is the original version of Yaktrax and is ideal for pedestrians, the elderly, business people or anyone who wants greater stability on ice and snow. Use the Yaktrax Walker while walking to and from work, school or just to the mailbox.

When you walk in the Yaktrax Walker, every step you take places hundreds of biting edges in direct contact with the ice beneath your feet. Yaktrax can be worn in temperatures as low as -41° Fahrenheit.

- **Easy On/Off**
- **Walk Naturally**
- **Spikeless/Ultralight**
- **Abrasion Resistant Steel Coils**

## YAKTRAX XTR EXTREME OUTDOOR TRACTION

The XTR by Yaktrax® provides you with extreme traction on snow and ice. A patent-pending spike design enhances traction while preventing snow build up. It is designed for anyone who prefers to go off road during the winter months.

The XTR is made with high strength steel spikes and chains that will resist rust and abrasion. To ensure a secure fit we have designed a natural rubber outband that will adapt to most types of footwear. It can be worn in temperatures as low as -41° Fahrenheit.

- **Anti-Snow Pack Plate**
- **Durable & Lightweight**
- **Adapts To Most Footwear**
- **Comes With A Heavy Duty Nylon Storage Bag**
