

Material Master Sheet Basic Data
JDE Finished products

Description (EN): L OR ESPRE HAR BNS RS 1000GX6										Material number		4057144						
Description Local Language (EN): L OR ESPRE HAR BNS RS 1000GX6																		
Creation Date			27.06.2024			Date of last change			03.09.2024									
Requestor			MAÉVA FICO															
GENERAL DATA																		
Base unit of measure			PC			Material Group			C07010101									
Division		20		Coffee & Tea			Prod. hierarchy			01010101019998								
X-plant matl status			RL			Valid from			27.06.2024									
PACKAGING MAT.DATA																		
Matl.grp pack.matls																		
SLDE DATA																		
Brand		L OR		L'Or		Owner		0002		KDE BV								
Pack. type		Bag				Prod. Plant		M024		JDE C&T PL Sp. Z.o.o.								
Sub-brand		Espresso				Kit/Display												
Format		1000 GR				SKU Var.		01		STD								
Process type		Beans																
Variety						Std.Code												
Concept						C.pr.low		0,00		Currency EUR								
						C.pr.up		0,00										
SLDE UNITS																		
Smallest unit						Rep.unit			KG									
Std. unit			EA			Trade unit			BOX									
Const unit			PC
