Product features

- Each 150-metre roll is made from fast-growing FSC 100% certified Bamboo, which produces 65.5% less carbon emissions than a standard tree-based product.
- Certified by FSC and Vegan Society.
- Each case of 12, 150-metre, 2-ply Bamboo Toilet Rolls helps your business to reduce your Carbon Footprint by 2.09kg and will prevent 40g of single use plastic entering the waste cycle, when compared to a standard tree-based bulk toilet roll.
- Any additional carbon which is emitted through the production, manufacturing and distribution is offset through our partnership to protect and preserve the vulnerable Annamite Lowland rainforest in Khe Nuoc Trong, Vietnam.
- Plastic-free packaging, both core and outer box can be easily recycled (where facilities exist).
- Minimally packaged to help reduce waste.
