Pallet volume	1 267 dm <sup>3</sup>

**Global Recycled Standard** : 51% rPET GRS

**Brand** : Exacompta

**Warranty** : 2 years

**Product type** : 440

With a resolutely modern and urban look, the new Exactive backpack has 2 compartments: a large pocket with magnetic closure at the front and a computer compartment with zipper at the back. The front pocket is equipped with several open or closed compartments to perfectly organize the contents. The computer compartment has a separate padded pocket, specially designed to protect a tablet or computer up to 15.6 inches.

Made from matte PU material, this ultra soft feel bag is waterproof and offers optimal strength and durability.

The back of the bag and the straps are made of mesh foam for greater comfort and an antiperspirant effect. The straps are adjustable for a perfect fit.

A waterproof pocket at the front of the bag allows you to store an umbrella or a bottle without risking wetting the contents of the bag. A loop on the back allows you to slide the backpack along a telescopic suitcase handle. With a small zipped pocket on the back for quick access to your wallet, phone, etc.
