

STABILO® BOSS® ORIGINAL

The market-leading highlighter since 50 years

HIGHLIGHTING

IN A NUTSHELL

Available in 30 colours, STABILO BOSS ORIGINAL is the benchmark in highlighting. Invented in 1971, the success of this office classic has been constant ever since. As for all STABILO highlighters, it can be left with its cap off for up to 4 hours without drying out. Its chisel tip offers 2 line widths: 2 and 5 mm. Its water-based ink dries very fast, allows bright lines and has a good resistance to light. It is a true office icon with its patented design which is recognizable at first glance and highly appraised among professionals and students. It does not only allow to highlight but its large choice of colours also stimulates creativity to create or decorate.
