Cartonajes BERNABEU, S.A.U.

Product specifications

Code no.: 7801710 **Customer:** (33944) LYRECO ESPAÑA, S.A.
Reference: 6649865 CAJE.LYRECO BUD.A-4/82

DIMENSIONS - Box manufacturing measurements (mm)

Large: 323
Width: 80
Heigth: 293
Tolerance: ± 3 mm

Cutting die no 15343
Flute: E
Thickness (± 10%): 1'5 mm

PRINT

TECHNICAL CHARACTERISTICS (± 15%)

Material type: Corrugated cardboard, Micro Flute
Material code: 785
ECT (KN/m): 1,6
Cobb 60'' (G/m²): 30
AFCO category: -
FSC: -
Expected use: Container for secondary use

Recycled fiber percentage (%): 100

PALLETIZED

Pallet type: NORMAL 80 X 120
Units per package: 25
Foundations packages: 13
Tall packages: 4
Units per pallet: 1300

Pallet maximum height: Undefined

ADDITIONAL REMARKS

Strapped and shrink-wrapped pallet with stretch film. Keep the boxes in a dry place protected from sunlight.

Once the pallet is opened, the surplus peaks will be protected by film or covers to protect it from dirt.

The composition of papers and grammages indicated in this technical sheet are indicative and correspond to those used at the time of preparation. Due to the availability and mechanical characteristics of the papers, this composition is subject to modifications, always respecting the final mechanical characteristics of the box (ECT, Cobb 60'' ...), so it is convenient to update it periodically. The manufacturing measurements are in-between measurements.

If the container is intended for use with direct contact with food, we have the migration tests that allow us to certify compliance with European directives:

· CE REGULATION 1935/2004 of the European Parliament and of the Council of 27 October 2004 on materials and articles intended to come into contact with food, Article 17.

· CE REGULATION 2023/2006 of the Commission, of December 22, 2006, on Good Manufacturing Practices for Materials and Objects intended to come into contact with food.
