

CAPRI DIARY 2026

Happy

January 2026 – December 2026 (12 months)

Softcover diary with a smooth, pleasant touch. Trendy design with metallic accents. Ideal for both personal and professional use. Includes a ribbon marker, a durable expandable paper pocket, an elastic band closure and a pen holder so you can always keep a writing tool with you. Opens perfectly flat for comfortable writing and features micro-perforated corners to quickly find the current day or week. The interior design is clean and simple, with plenty of space to organise your projects, tasks and appointments. The diary also includes pages with helpful reference information and other content to help stay organised.
