

OPTIMAL DIARY 2026

Emma

January 2026 – December 2026 (12 months)

Hardcover diary with metallic accents. Metal double loop binding and soft elastic closure. Features monthly colour-coded index tabs for quick access to each month. The OPTIMAL diary has a fresh, minimalist interior design with soft colours. Includes practical sections for goal tracking and a habit tracker, as well as a monthly grid planner. Comes with essential extras: a set of bookmarks, a transparent pouch, and themed stickers. OPTIMAL is a modern, practical, and stylish diary.

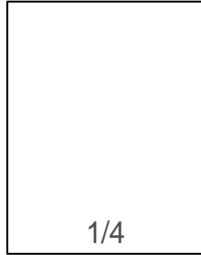

Larger than a standard DIN A5 format, offering all the advantages of a spacious desktop diary.
