ELITE Lumino

ELITE Lumino

The ELITE Lumino lamp combines elegant design with advanced features: it offers customizable, glare-free lighting thanks to its rotating arm and asymmetrical light distribution. Compact and intuitive, it enhances your workspace while offering a light therapy mode with proven benefits for mood, energy, and sleep regulation.

ELITE Lumino

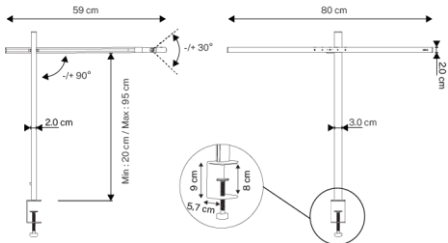

- **Lighting optimization:** with its rotating ($\pm 90^\circ$) and sliding arm, ELITE Lumino lets you direct the light with a simple movement, providing perfect brightness in an instant.
- **Asymmetrical lighting:** ELITE Lumino features asymmetrical lighting that significantly reduces glare and optimizes illumination of targeted areas.
- **Light therapy mode:** this lamp promotes well-being and vitality throughout the day, helping to alleviate depressive states, including seasonal affective disorder caused by lack of sunlight.
- **Color temperature adjustment:** customize the lighting to suit your needs—whether you're relaxing, reading, or working.
- **Design:** with its sleek, airy design and uniform light, ELITE Lumino adds a touch of elegance to your space.
- **Practical:** mounted with a clamp, this lamp saves desk space and fits easily behind your computer.

ABOUT UNILUX

Founded in 1952, UNILUX is a French company specializing in lighting and ergonomics. Since joining the Hamelin Group in 2000, the company has undergone a significant transformation in France and across Europe, evolving from a simple lighting supplier into a true creator of ambiance and well-being.

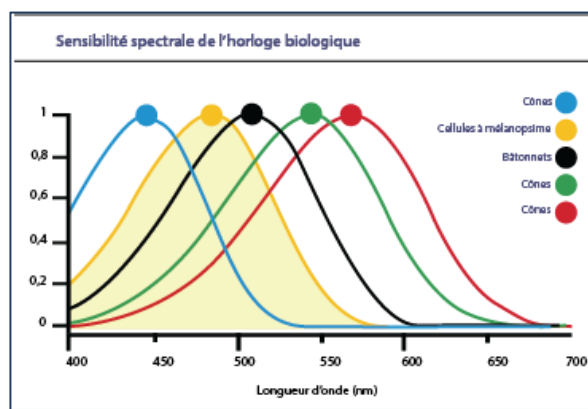

OUR EXPERTISE

Light therapy, the key to well-being in the workplace

Best melanopic efficacy on the market

What are the benefits?

- ✓ Regain well-being and vitality thanks to its melatonin-blocking effect.
- ✓ Resynchronize your circadian rhythm and improve sleep quality. It helps you recover more quickly from jet lag and is perfectly suited for night shift workers.
- ✓ Combat seasonal depression, fatigue, and low moods.

When expertise and well-being merge, light reveals its full potential...

Dayvia, the pioneering French brand in light therapy, has partnered with Unilux, a lighting expert and creator of wellness-enhancing atmospheres. Together, they bring to life ELITE LUMINO, an exceptional product that combines elegant design with innovative features. Its sleek lines and advanced technology make ELITE LUMINO a true wellness object, delivering the benefits of light therapy to boost performance, enhance motivation, and ensure everyday comfort.

ENVIRONMENT

UNILUX focuses on sustainable development and takes concrete measures to reduce its environmental footprint and best meet the evolving expectations of its consumers.

We are notably committed to reduce our greenhouse gas emissions by 29% between 2021 and 2030 in response to the "Net Zero Carbon Emissions by 2050" challenge. Eco-design, emissions reduction and continuous improvement are at the core of our concerns.
