

Consumer Business Group Packaging & Expressions Product Information Sheet

Post-it® Easel Pad made with 100% Recycled Paper

General Description

Post-it® Super Sticky Easel Pad can hang directly on the wall without tape and stick securely up to 2X longer than other national brands. The patented adhesive on the large easel paper pad can stick to a variety of surfaces including wallpaper, paneling, concrete, fabric, and glass for up to 48 hours, and peels off cleanly. Post-it® Super Sticky Easel Pad Paper uses white bleed-through resistant paper, so you can use markers, crayons, colored pencils, or paint directly on the sheet without soaking through.

Product Characteristic	Average/Typical Values
Backing	100% recycled paper
Adhesive	Acrylic repositionable
Color	White
Size*	559 Easel Pad: 25" x 30", 563 Tabletop 20" x 23"

*These are average values. 3M does not guarantee every product will have these specific test values. Actual test values may vary and may be greater than or less than the averages listed.

Features:

- **SUSTAINABLE CONSTRUCTION:** Paper is made with 100% recycled paper for a more sustainable choice in paper easel pads
- **HANGS UP TO 2X LONGER:** Post-it® Super Sticky Easel Paper Pad delivers double the holding power of other national flip-chart brands, and stays stuck to surfaces up to 48 hours without leaving sticky residue behind
- **STICKS TO MORE SURFACES:** The super sticky flip chart paper easily grips to wallpaper, wood paneling, concrete, fabric, glass, and other smooth surfaces; no thumbtacks, tape, or easel stand required

- **NO BLEED-THROUGH PAPER:** Each large easel paper pad uses white paper that resists bleed-through from markers, crayons, pens, highlighters, watercolors, and more, keeping every page crisp and legible
- **PORTABLE AND VERSATILE:** Post-it® Super Sticky Easel Pad fits most standard easel stands and is ideal for team brainstorming sessions, lesson plans, agile stand-ups, and group trainings
