Remarks:

1. N/A = Not Applicable.
2. N/C = Not Conducted, as requested by client.
3. *1 = Toys or their packaging must bear the CE-marking as declaration of presumption of conformity with the essential safety requirements of the European Council Directive 2009/48/EC. The CE marking must be affixed visibly, legibly and indelibly to the toy, to an affixed label or to the packaging. The height of the CE mark shall be at least 5 mm.
4. *2 = Manufacturer's name/registered trade name or registered trade mark and the address at which the manufacturer can be contacted must be indicated on the toy or, where that is not possible, on its packaging or in a document accompanying the toy.
** A Manufacturer is any natural or legal person who manufactures a toy or has a toy designed or manufactured, and markets that toy under his name or trademark. **
** The importer places the toy on the market under his own name or trademark or modifies the toy already placed on the market. The only address that in this case will figure on the toy is the address of the importer who is considered as the manufacturer. **
5. *3 = Importer's name & address must be indicated on the toy or, where that is not possible, on its packaging or in a document accompanying the toy.
** An importer is any natural or legal person established within the European Community who places a toy from a third country on the European Community market. **
6. *4 = Manufacturers must ensure that their toys bear a type, batch, serial or model number or other element allowing their identification, or where the size or nature of the toy does not allow it, that the required information is provided on the packaging or in a document accompanying the toy.
7. *5 = Manufacturers and importers must ensure that the toy is accompanied by warnings, instructions and safety information in a language or languages easily understood by consumers, as determined by the Member State concerned.
8. *6 = Toys or their packaging shall carry the following warning:

"Warning. Not suitable for children under 36 months (or three years). Small parts."

"Not suitable for children under 36 months (or three years)" may be substituted by the symbol . The symbol shall be used to indicate only "0 to 3" years and not for any other age-grade warning to avoid misinterpretation of the symbol.
