DESCRIPTION

The secret to the OR series' effectiveness is a carefully combined engineering and compounding. OR655/OR656/OR657 have a dipped rough finish that makes handling wet and slippery materials easier and safer. An anti-oil compound vinyl film actually works against a slippery surface to ensure a good grip performance. The ergonomically designed hand shape provides a natural fit and better comfort.

FEATURES

Comfort: A 13-gauge seamless liner and ergonomic design assure a maximum comfort and minimum hand fatigue.

Workability: A special soft compound assures that the gloves will stay soft in the extremely low temperature.

Hygiene: A special durable compound assures for tough handling needs.

OR657: is available with heat-sealed PVC sleeves, reinforced to prevent tearing and punctures. The 65cm overall length and elastic collar provide forearm protection in the harsh, non-chemical environment. Recommended for slippery applications.

TECHNOLOGY

Unique rough finished coating with special compound provides excellent grip.

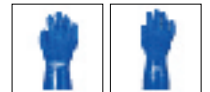

APPLICATIONS

Fishery
General Assembly
Machine Operation
Metal Fabrication
Painting
Water Supply Operations

PRODUCT

Material Durable PVC
Size 7/S-11/XXL
Liner 13-Gauge
Seamless
Cotton
Color Blue

SIZE & LENGTH

OR655 25cm
OR656 30cm

OR657
60cm
