		500
		4

FEATURES	BENEFITS
<ul style="list-style-type: none"> <li>Earplugs made of soft-flexible polyurethane foam</li> <li>Latex, silicone and phthalates free</li> <li>Orange colour</li> <li>Each pair individually packed in wall mountable dispenser carton (not 25708)</li> <li>Coded version available</li> </ul>	<ul style="list-style-type: none"> <li>Increased comfort during prolonged use It allows easy roll-down insertion along the ear canal</li> <li>Reduced risk of allergic and/or toxic reactions</li> <li>High visibility from the distance to control noise protection use</li> <li>Hygienic dispensing even when installed in dusty production areas</li> <li>Reduced handling when noise protectors are temporarily removed</li> </ul>

**IMPORTANT INFORMATION PROVIDED TO USERS**

This product should be worn properly at all times in noisy surroundings. The earplugs should be fitted, adjusted and maintained in accordance with instructions provided on this packaging. If the recommendations are not adhered to, the protection afforded by the product will be severely impaired. This product may be adversely affected by certain chemical substances; avoid the use of agents (i.e. solvents and other disinfectants) that are known to be harmful to the wearer and/or the earplug. Regularly inspect for tears or cracks and replace if serviceability is suspected to be affected. Coded ear plugs should not be used where there is a risk that the connecting cord could be caught up during use
